Re: Appointment of postconviction Counsel

RECEIVED

ED SMITH
Clerk of Supreme Court
State of Montana

Clerk of Court Montana Supreme Court,

The 11th District Court Nor My Neier up to this time have ever indicated that counsel was actually appointed for this petitioner.

I did phone his office and wrote a couple letters with no response. He was always unavailable for phone calls. He did appear on County Att. mail carts.

After most of a year goes by I get my one and only contract which was the enclosed with dxw/0.

It does not appear My Neier is suitable counsel at any level of litigation.

I did ask the Supreme Court for appointment of counsel on this issue. I pray My Neier's acts do not deter that motion for counsel now before the Court.

I would appreciate effective counsel. Please!
Thank you

Sincerely
Larry Roeder
